

LOTHINGLAND COMMUNITY LAND TRUST CONSULTATION

Dear resident below is a print off and fill out consultation document. This document is to elicit the views of the residents of the 5 villages in Lothingland to identify the housing needs of those villages. This is an important piece of work for the trustees to evaluate the type of housing that we are going to build along with determining the allocation protocols. A reminder that the trust will build housing at council house rents that have no right to buy. They will be built for the residents of the 5 villages and will not be allocated to others who have no connections to the villages.

Visit our website lothinglandclt.org.uk for more information about our CLT and its aims.

This form can be returned to the following locations. Belton Hardware. Burgh Castle Post Office and Buckworth Garage Fritton

This survey is also available on the three parish council websites.

Building houses, building communities.

Please delete that is **not** applicable.

- | | |
|-------------------------------------|---|
| 1. Which village do you live in | Belton/Browston/Burgh
